

The 25th ETRA Conference on Tyre Recycling Defining the Circular Economy for Tyre Recycling

14 - 16 March 2018

NH Sablon Hotel, Brussels,

(Please complete and return it by email to etra@wanadoo.fr, elsa.weiss@mines-albi.fr and cjung@ulb.ac.be)

The 25th Annual Conference is a two and a half day event which offer plenary and Break-out Sessions, discussion and debate. The sessions will focus on the expanding opportunities for use of recycled tyre materials in traditional and innovative sectors.

The tyre recycling sector faces a number of challenges in the drive towards a circular economy and the conference will explore those challenges and aims to identify opportunities for the recyclers.

Part of the Plenary Sessions will be dedicated to the use of recycled tyre materials as a crucial contribution to the circular economy in the EU. This year the focus will be addressed on the characterizations, uses and market of the end-products from tyre pyrolysis. The purpose being to identify opportunities to develop strategies to take tyre recycling forwards towards a sustainable future .

ABSTRACT – PYROLYSIS field

(Deadline for submission : January 12th 2018)
