

European Tyre Recycling Association

Dear Speakers and Delegates,

The ETRA Board and Committee Chair have met and unanimously agreed that it would be in the best interest of speakers, delegates and guests to postpone the 27th ETRA Conference due to travel concerns about the coronavirus.

We would like to confirm that the 27th ETRA Conference on Tyre Recycling will be postponed. It is now scheduled to take place from **Wednesday through Friday 2 through 4 September 2020.**

We have changed the date now to avoid the frustration for you, our guests and delegates of having to change your plans at the last moment due to health and travel issues. We hope that this will allow you to revise your schedules and commitments so that you will be able to participate in the 27th ETRA Conference.

We will contact you with updates as soon as the Hotel and Programme are reconfirmed. Fees will remain the same for both delegates and speakers. Please feel free to contact us if you have any questions or wish additional information
