The 25th Annual Conference is a two-and-a-half day event offering Plenary and Break-out Sessions, discussion and debate. The sessions focus on expanding opportunities for use of recycled tyre materials in traditional and innovative sectors.

The tyre recycling sector faces a number of challenges in the drive towards a circular economy. The conference will explore those challenges and aims to identify opportunities for the recyclers.

The Plenary Sessions on Thursday, 15th March will focus on the use of recycled tyre materials as a crucial contribution to the circular economy in the EU. The morning of Friday 16th March, will include the Plenary session as well as a Pyrolysis Panel. The afternoon Plenary session will share key points of the morning sessions to identify opportunities to develop strategies to take tyre recycling forward towards a sustainable future.

ABSTRACT

The Twenty-Fifth Annual Conference on Tyre Recycling : 14 – 16 March 2018

Please mark the box which most accurately describes the context for your paper:

- Quantifying annual arisings for the EU 28+1
- Tracking ELTs : A common audit methodology?
- Building on Green Public Procurement
- Overcoming market barriers
- New materials : Compounds, mixes, devulc, etc.
- Pyrolysis : Materials and markets
- Materials for the future
- International and regional markets : the role of standards
- Investing in growth and competitiveness
- New manufacturing initiatives
- Construction options : Concrete as a resource
- A new look at traditional products and markets
- New approaches to market management
- Other (explain) ________________________________
